AGENDA

**Health System Reform Task Force
Utah Legislature**

Wednesday, June 15, 2011 • 2:00 p.m. • Room 450 State Capitol

(Background materials are posted at <http://www.le.utah.gov/asp/interim/Commit.asp?Year=2011&Com=TSKHSR>. As they become available, additional materials will be mailed to Task Force members and posted at the same site.)

1. Task Force Business

- Call to order
- Approval of the minutes of the May 18, 2011 meeting

2. Cost Containment Strategies—Examples, Evidence of Effectiveness, and Challenges

At last month's meeting, the Task Force received 15 briefing papers by the National Conference of State Legislatures, each describing a health care cost containment strategy, the strategy's use by states and non-state entities, and research on the strategy's effectiveness. The Task Force will review these strategies and determine where further investigation may be appropriate.

- Mr. Richard Cauchi, Health Program Director, National Conference of State Legislatures
- Committee discussion
- Public comment

3. Cost Containment—Using Cost and Quality Data to Identify Value

The Task Force will consider how Utah's All Payer Claims Database might evolve into a practical decisionmaking tool for purchasers of insurance (e.g., individuals purchasing insurance in the individual market and employers purchasing insurance in the small and large group markets) and purchasers of health care services (e.g., individuals, insurers, and self-insured employers).

- Office of Health Care Statistics, Utah Department of Health
- Committee discussion
- Public comment

4. Adjourn
